J.P.,

No outreach has been done by the Region, but I did want to share the note below. It appears that PLP and OGC are okay with us doing notifications, but we will stand by for any further guidance.

Michelle -

See messages below - Plus, Carrie Wheling and I spoke to Justin this afternoon and he was ok with the plan to generally contact a few stakeholders without providing much detail. He wanted us to notify PLP (which we did) and coordinate with OPA.

Just FYI - DOJ floated this idea past Pebble and they are ok with our plan to call a handful of stakeholders and generally tell them a settlement is coming.

Hi Allyn, sorry for the delay, but I talked to Ron, and they will live with your plan to tell certain stakeholders, late in the day, that we have reached a settlement.

Thanks,

Robin
